

# ANDROMEDA "PREMIUM" REMOTE CONTROL BOLLARD

(RBG + COOL, DAYLIGHT, OR WARM LED)

## Features

This premium product provides exceptional dusk to dawn constant output lighting for commercial bollard lighting applications. The lamp housing is manufactured from moulded high impact polycarbonate, this combined with a stem and baseplate of powdercoated aluminium and tamper proof security fixings ensure the product is able to withstand the elements and is suitable for installation in public spaces. The supplied remote allows for complete customisation of the product, from the lumen output and colour of the LED's (colour wheel selectable) + Warm (3000k) daylight (4000k) or cool (6000k) LED C.C.T to the hours of operation after dusk. The selected program will be repeated nightly until changed. One remote controls up to 40 lights.

Impact resistant solar lighting bollard

Remote controlled RGB, CCT colour selection, timer and brightness

> 3 nights autonomy

IP65 Waterproof design

Reinforced aluminium bollard and baseplate

Custom bollard stem colours available

Commercial grade solar bollard lighting

Symmetrical light pattern

Stainless steel tamper proof fixings

Australian standard PP5 compliant

Automatic dusk to dawn lighting

2 year warranty for faulty workmanship or component failure not influenced by external means

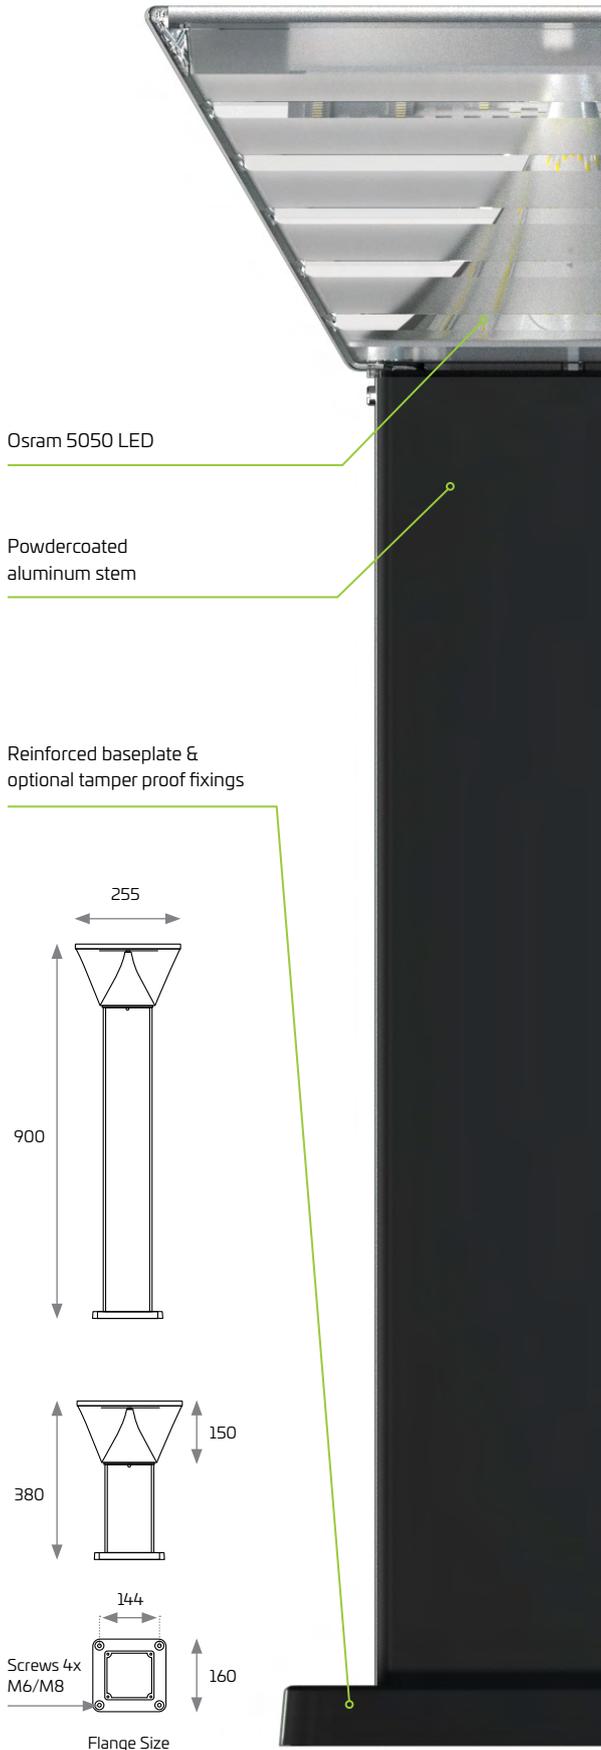

Luminaire Height **900 mm**

Lumen Output **Variable**

LED Output **Variable**

# ANDROMEDA REMOTE CONTROL BOLLARD SPECS

(RBG + COOL, DAYLIGHT, OR WARM LED)

## Applications

Commercial Solar bollard lighting applications

## Technical Data

Solar Panel Wattage	<b>9.2W</b>
LED Output	<b>Variable</b>
Lumen Output	<b>Variable</b>
Battery Type	<b>LiFePO4</b>
Battery Specifications	<b>12AH 3.2V (38.4Wh)</b>
Autonomy	<b>&gt; 3 nights</b>
Fixture Size	<b>900 x 255 x 160 mm</b>
Light Source	<b>Osram 5050</b>
Recharge	<b>5 hours</b>
Mounting Height	<b>900mm</b>
Mounting	<b>Baseplated or Inground</b>
Finish	<b>Powdercoated black (standard)</b>
Warranty Period	<b>2 years</b>
SKU	<b>SOLB010/PRE</b>

## Mode of Operation

Remote controlled operation of the LED colour (RGB) + Warm, Daylight or Cool lighting + Timer operation + ON/OFF functions.

2.4G wireless touch remote control

RGBCW Colour (Remote Control)
